

How are we doing at the end of Reception?

2019

The early years foundation stage (EYFS) sets standards for the learning, development and care of children from birth to 5 years old. Their class teacher assess them at the end of the school year when they turn 5 to see if they have achieved a good level of development across all areas of learning.

The graph below shows how well we are doing at Corngreaves compared to other schools in our authority and other primary school across the country.

80% in 2019

6.7% points rise since 2018

5.8% points rise since 2017

- Corngreaves Primary School
- Sandwell (87)
- NCER National (17626)
