

## How well are we doing with the Year 1 Phonics Screening Check?

**2019**

The phonics screening check is administered individually to all children in Year 1. It is designed to give teachers and parents information on how their child is progressing in phonics.

A child in Year 1 is aiming to achieve the expected standard for 6-year olds.

The table below shows how well Year 1 children are doing at Corngreaves, compared to Year 1 children locally, as well as, all other Year 1 children in the country.
